

14.2 The Articles of Confederation created a government as \_\_\_\_\_ as a stool with one leg.

List at least three problems with the Articles of Confederation.

14.3 The Constitutional Convention was like a \_\_\_\_\_ where a team of workers designs and creates a new stool.

\_\_\_\_\_ kept the delegates respectful, much like a foreman directs a construction crew.

\_\_\_\_\_ brought his plan for a national government, much like a designer drafts plans for a new stool.

\_\_\_\_\_ wrote much of the final draft of the Constitution, much like a carpenter builds a stool.

The Constitution created a government as \_\_\_\_\_ as a stool with three legs.
