Position on Korea Conflict

Directions: After participating and learning from the Current Events activity, consider where your assigned country would stand on each issue below in regards to Korea. Take bulleted notes brainstorming how each issue affects your country.

Issue	Your Country's Position/Stance on the Issue
Nuclear Power/Weapons Is your country threatened by North Korea given they possess these weapons?	
Trade/Economics Does your country trade with either Korea? If war began in that region, would your economy be affected?	
Alliances If war began between the two Koreas, would your country help defend a side by committing troops and weapons?	
Other Issues/Connections How else might your nation be affected by this conflict and how might they benefit from peace or unification?
